## SPECIFICATION

### Principal Characteristics:

Length Overall: **9.25m**

Beam (maximum): **3.0m**

Height Above Waterline: **163cm**

Static Draft: **68cm**

Weight: **2800Kg** (Lightship)

Max speed: **45Knts**

Max Fuel Capacity: **200lt**

Internal seating capacity **12 Persons**

Construction: **GRP / Divinycell**

Hull Design: **Whitmarsh High Performance Ribs**

Design & Construction: **Whitmarsh High Performance Ribs**

Builder: **Whitmarsh High Performance Ribs**

#### ▪ **Design**

Designed a multi role yacht tender offering the maximum comfort & interior space enhanced by the "d' tube concept and walk around deck layout. Well suited for all guest and crew movements as well as watersports and diving.

#### ▪ **Hull Construction**

This will be hand laid GRP using E-glass CSM/Bi-axial cloth lay up with high density Divinycell foam hull re-enforcement to give the ultimate performance, strength and weight balance.

#### ▪ **Deck**

One piece deck moulding with integrated swim platform, engine box and internal seating.

#### ▪ **Tubes**

The tapered buoyancy collar is manufactured from Orca Hypalon 1200gsm material with individual chambers and pressure relief valves. Choice of colours and textures available.

#### ▪ **Option of Natural Teak or Esthec Composite decking**

#### ▪ **Integral 4 Point Lifting System Built in to the Hull**

#### ▪ **200 Litre Aluminium Powder Coated Fuel Tank**

#### ▪ **Stainless steel mast/Ski pole**

#### ▪ **Stainless Steel Stem Tow Point**

#### ▪ **Stainless Steel Boarding handles**

#### ▪ **Shore Power/ Battery Charger**

#### ▪ **LED Navigation/Anchor lights**
